**Buyouts:** Buyouts on any part of the rider as agreed to must be paid with the balance of guaranteed payment on the day of show.

**MERCHANDISING RIGHTS:** ARTIST shall have the **sole and exclusive right, but not the obligation** to sell souvenir posters, photos, programs, and all other merchandise directly pertaining to and / or bearing the likeness of ARTIST, inclusive of phonograph records, CDs, books, etc. at the performance hereunder **and to retain one hundred percent (100%)** of the receipts there from, subject to only written agreements that PURCHASER may have with the concessionaires for handling and/or sale of said merchandise. All sales taxes required, will be added to the merchandise price. PURCHASER is prohibited from selling any merchandise (i.e.: posters, T- shirts, etc.) bearing the name and/or likeness of ARTIST or any member of ARTIST without the express written authorization of ARTIST or ARTIST's management.

**SOUND RECORDING/RADIO BROADCASTING:** PURCHASER will not permit the recording or broadcast, oral and/or visual of any performance without expressed prior written consent of ARTIST. All requests for recording or radio broadcasting, must be approved in writing by Management at least fourteen (14) days in advance of performance. Arrangements must also be made, in advance, with ARTIST's tour manager. Further, PURCHASER shall not allow the use of flash cameras during the engagement without the prior written consent of ARTIST. All press (i.e.: radio, television, newspapers) must obtain permission from ARTIST Management to do any and all coverage. Purchaser agrees to have ushers and/or security guards hand search the audience and their bags and apparel at all entrances to the hall to ensure that the above prohibitions are strictly enforced.

**COMPLIMENTARY TICKETS:** Unless specifically agreed in writing by ARTIST management, no complimentary tickets are to be issued within the first ten (10) rows of seating. These tickets are to be sold to the general public. Unless specifically agreed to, in writing, by ARTIST'S management, **PURCHASER agrees to distribute no more than fifty (50) official house seats as complimentary**, including tickets distributed to the press, unless specifically approved in writing. Purchaser must supply ARTIST's representative(s) with a detailed statement of complimentary tickets. Each complimentary ticket will be issued only as a fully punched ticket. **Purchaser must provide ARTIST with twenty-five (25) complimentary tickets**, the unused portion of which may be placed on sale the day of the performance with the permission of ARTIST or ARTIST's representative(s). Complimentary tickets issued to the ARTIST **will not be stamped complimentary**.

**TAXES:** Should there be any assessment by a taxing authority on Artist or his/her assignees for the services or for monies earned during this engagement, said taxes shall be made from the fees contained herein or from any percentage monies earned hereunder. Official State Tax Documentation must be presented to Artist(s) representative (14) days prior to engagement.

**LICENSES AND FEES:** PURCHASER shall be responsible for and will obtain (14) days prior to performance, all licenses and pay all fees involved with said performance. In the case of international performances, Purchaser shall provide at no cost to artist, (14) days prior to performance all visas, bonding permits, immigration documentation, union dues etc. that are required or desirable to allow entrance into / exit from, travel and performance within said country. Purchaser shall be responsible for any and all taxes in any sort connected with the performance.

**INSURANCE/PERMITS:** Purchaser agrees to provide public liability insurance coverage and a certificate verifying insurance in **the amount of \$1,000,000** to protect against injuries to person(s) or property and which names ARTIST as additional insured. In addition, it is agreed that PURCHASER shall maintain in effect a policy of **workers compensation insurance covering all PURCHASER's employees** who are involved with the performance. PURCHASER must cover ARTIST and his subcontractors against fire, theft, riot, and any other type of act, which would cause harm or damage to personnel or equipment. PURCHASER shall provide ARTIST with certificate of insurance showing coverage of the above. However, if the certificate is not received prior to the performance, PURCHASER is solely responsible for complete coverage. PURCHASER shall indemnify and hold ARTIST harmless from and against any and all liability claims, demands, costs, expenses, loss and damage (including reasonable attorney fees) arising out of or in connection with any bodily injury, death, or loss or damage to property which occurs in connection with any performance rendered by ARTIST hereunder (unless same is caused by the willful conduct of ARTIST). PURCHASER represents and warrants that it presently carries public liability and property damage insurance with sufficiently high limits to adequately insure against the risks assumed and the obligations undertaken by PURCHASER.

**CANCELLATION:** It is understood and agreed that in the event of any failure by PURCHASER to fulfill any of the terms and conditions provided herein, ARTIST shall have the election to cancel the engagement hereunder, in which event, ARTIST shall be discharged from any further liability hereunder and shall be **entitled to retain any deposits** or other monies theretofore paid to ARTIST by PURCHASER in addition to ARTIST's other legal and equitable remedies.

**BREACH:** In the event of a substantial breach by the promoter of any of the conditions contained herein, Artist may cancel the performance without any further liability and the PURCHASER shall be obligated to pay the full contracted fee to ARTIST forthwith on cancellation.

**FORCE MAJEURE:** Artist's obligation to perform hereunder is subject to detention or prevention by sickness. Bob Golino has the authority to **determine if Lou, as well as any band members are able to perform or not perform due to medical concerns.** By accident, means of transportation, act of God, riots, strikes, labor difficulties, epidemics, and any act or order of any public authority of any cause, similar or dissimilar, beyond artist's control, in which event, ARTIST shall be discharged from any further liability hereunder and **shall be entitled to retain any deposits or other monies theretofore paid to ARTIST by PURCHASER.** In addition to the ARTIST's other legal and equitable remedies, if for any reason (weather, etc.) the performance is **delayed longer than 75 minutes**, the ARTIST has the option to cancel the performance and retain any/all monies collected

**MISCELLANEOUS PROVISIONS:** Nothing shall require the commission of any act contrary to law, or any other rule or regulation of any union, guild or similar body having jurisdiction over services of Artist or over the performance hereunder, and whenever there is any conflict between any provision hereof and any law, rule or regulation shall prevail and the Contract and this Rider shall be curtailed, modified or limited only to the extent necessary to eliminate such conflict. Neither ARTIST nor ARTIST's management will accept any responsibility for any damage howsoever caused within the confines of the facility before, during or after the performances by any person(s) other than Artist or any employee of Artist.

**PRODUCTION REQUIREMENTS:** PURCHASER agrees to furnish all of the following requirements at PURCHASER's sole expense:

1. **ELECTRICAL REQUIREMENTS:** Contracted sound and lighting companies will specify to purchaser exact needs. If power requirements cannot be met by venue, PURCHASER shall provide generators to meet said requirements.
2. **MINIMUM LABOR REQUIREMENTS:** Please note that all times and numbers are subject to adjustment and that PURCHASER'S Production Manager shall be on site at the first crew call and remain on site until the performance is completed and all ARTIST's equipment is loaded. All essential personnel listed below must speak and understand English and will be at the direction of ARTIST's personnel throughout the engagement. PURCHASER agrees to provide the following personnel:

**Load In Call:** Time TBD by ARTIST'S Tour Manager 2 – Loaders, 4 – Stagehands (may also act as loaders), 1- Drum Tech knowledgeable in setting up and tuning drums (may double as stagehand) 1 – House Electrician, 1 –Lighting Director.

**Show Call:** 1/2 hour before show 2 – Stagehands (must be dressed in black for show) 3 – Follow Spot Operators (must understand standard spotlight commands) 1 - Electrician/ House Lights, 1- Lighting Director.

**Load Out Call:** 1/2 hour prior to end of ARTIST'S performance 2 - Loaders 4 – Stagehands (may also act as loaders) 1 – House Electrician

**TECHNICAL:** FOH sound, monitor, and lighting assistants with expert knowledge of all equipment provided by PURCHASER shall be on site at load in and available to ARTIST's crew throughout the day until load out is completed.

**STAGING:** PURCHASER will provide a stage and sound wings complete with a suitable roof (outdoor shows only) above the stage, all sound, lighting, band, and electrical equipment, and provide for adequate grounding for all instruments to prevent electrical hazards arising from bad weather. Stage shall be clear of obstructions and equipment at scheduled load in.

**SIZE:** PURCHASER will provide a flat, even stage of sturdy construction with no gaps in between the decks of the stage. Stage at least of 48' wide by 40' deep, 5' of height. Stage should have at least a 10' clearance around the back and upstage corners for movement of equipment and people.

**CONSTRUCTION:** Stage should be solidly constructed of scaffolding or modular scaffolding (i.e.: Layher, Stacco) with an even surface capable of withstanding 125 lbs. per sq./ft. Where stage is of temporary construction, two sets of access stairs with handrails and adequate lighting should be provided at each upstage corner of stage running off of the upstage edge.

**PRESENTATION:** The stage should be dressed so as to look presentable. Stage front and the front of the PA wings up to stage height only should be dressed with black drape of good condition or, in case of solid stage front, be black painted.

**ARTIST FOH:** The sound engineer requests that the PA system should not be masked by scrim or gauze as this will affect perceived volume and clarity of the sound system.

**TECH/PA WINGS:** Work wings will contain monitor console and backline area; they will have water-proof covered roof (outdoor shows only). When it is not possible to fly the sound system and where rigging is difficult, Sound Wings at least 16' wide by 8' deep. When outdoor stages require a loading dock; a ramp from the loading dock to the stage is to be built.

### **HOUSE MIX POSITION:**

- The house sound and light mix position should consist of two levels with the lighting placed behind the sound and placed **Center**, between eighty (80') - one hundred (100') feet from the downstage edges of the stage. Exact placement is at the discretion of ARTIST'S FOH engineer.
- The measurements of the mix positions are as follows:
- Sound - sixteen (16') feet wide by twelve (12') feet deep and NO HIGHER THAN six (6") inches high.
- Lights - eight (8') feet wide by eight (8') feet deep by two (2') feet high.
- One (1) sturdy six-foot long table for lighting console and 1 large trash can.
- **Talkback To Stage From FOH To Monitors Prefer Blazon With Phones**

### **HOUSE MAINS:**

- One mixing desk console: 1<sup>st</sup>) Midas Pro2 with i/o @ Foh & Monitor world With Digital Snake or Copper Snake 2<sup>nd</sup>) Avid Profile 3<sup>rd</sup>) Avid SC48. Subs/Front Fills must be on an aux send.
- Speakers: L-ACOUSTICS / JBL VerTec (or comparable. to be advanced) MONITOR SYSTEM • One (1) monitor console – Avid Profile SC48/Venue, Yamaha PM5D, Yamaha M7CL.
- One (1) Double 18" sub cabinet for drums, EV MTL2, EAW, Lacoustic or Clair ML18.
- Adequate Amplifiers for all on stage monitors. All monitor mixes must have suitable crossovers for them, either by pip card or external crossover. Acceptable brands are XTA, BSS Omni Drive, Lake Contour or DBX Drive rack.

### **SOUND REQUIREMENTS FOH SOUND REINFORCEMENT:**

- The acoustic nature of the venue and the layout of the audience will determine the exact specification of the PA system. The size of the PA system should be adequate to deliver loud, high-quality sound to a capacity audience with definition and uniformity across the whole venue. House systems must be able to cover the audience evenly with a SPL of 120 db at the mix position.
- ARTIST's FOH Engineer will correct any discrepancy from this, even if it requires restacking or modifying the system rigging or setup. The system should have a fairly linear response. ARTIST's FOH engineer must have access to the drive rack to correct any un-linearity.

- The amplifiers must be of good quality and should be oversized and well ventilated to prevent any complication due to heat. In large audiences, we prefer flown systems of Line Array type.
- Sufficient power is to be supplied to produce a clear, distortion free sound on all systems requested.
- All consoles processing, microphones, and other sound equipment, with the exception of amplifiers and cabinetry, are to be for the exclusive use of ARTIST.
- Additional equipment has to be provided to accommodate support acts.

**BARRICADE:** ARTIST requests any barricade is to be advanced with ARTIST Stage Manager.

**Communication:** Clearcom or equal from console to monitor and talkback to stage. **(Blazon = 2 phones or 2 squawk boxes).**

**Miscellaneous:** All necessary cabling, snakes, amplifiers, crossovers, mic stands, microphones and direct boxes to make the system operable. **Note:** ARTIST's sound engineer has final approval of the mixing board position, PA placement and performance sound levels.

**Any questions regarding FOH sound should be directed to: Production manager / FOH engineer (Steve "Sonny" Taylor)**

**BACKLINE REQUIREMENTS (\$7,500 Buy-out) -SEE BELOW – ATTACHED**

**LIGHTING REQUIREMENTS:** Artist will not be traveling with a lighting director. A competent house lighting director will be required. Lighting must be sufficient to wash entire performance area with specials to highlight members individually. The size and layout of the venue will determine exact lighting specifications. Intelligent/moving lighting requested whenever available. See attached lighting plot is for a standard 120K show with preferred gel colors and placement.

**SECURITY AND PASSES:** The PURCHASER shall at its own expense employ an adequate number of security guards to guarantee the safety of ARTIST as well as ARTIST'S equipment and belongings.

- These guards shall be placed at appropriate places throughout the venue including but not limited to, backstage access areas, dressing room, parking areas, stage, and front of stage.
- Personnel must be on duty from **1 hour before opening of doors to 2 hours after the performance.**
- Security for the bus parking area must be available from arrival to departure. No exceptions.
- There must be at least one (1) security guard positioned backstage in front of the dressing rooms before, during and for up to 2 hours after the show.
- There must also be at least one (1) security guard positioned at the merchandise table before, during and after the show.
- One (1) security guard to accompany Lou Gramm when he is signing autographs after the show.

**If any theft or damage due to inadequate security measures occurs, PURCHASER shall be held liable.** All working personnel and guests shall wear passes to be provided by ARTIST'S Tour Manager.
