2023 - INPUT LIST

## PLEASE NOTE:

**We normally travel with a Behringer X32r  
It will Live Behind our Drummer  
or at Monitor World  
We will need a split of all inputs  
(we usually carry a 16 ch split snake)  
FOH will come from the X32r Outputs 7&8  
Our Router will live at the front edge of stage or at FOH**

**Our Drummer Adrian currently has his own Mixer  
and will need 6 direct inputs which are:  
Trax L&R, Backup Trax L&R  
Axe (guitar) and  
Ivans Voc**

**We will also need an iPod feed from FOH  
to the X32r line inputs 1&2**

**We supply all Mics and Direct boxes  
We will however, need XLR cables  
and thanx for being so great :)**

**FOH - Nick Tyzio - 604 328 9717  
TM - Sho Murray – 604 786 4488**
