PLEASE NOTE: All drums must have top and bottom heads. Replacement drumheads must be available at no cost to The Miracles when requested. A representative from the backline rental company must remain at the venue until all equipment has been setup and tested. ALL SUBSTITUTIONS must be approved by The Miracles Musical Director. Sound Check will be scheduled for 1:00PM unless otherwise agreed upon during the show advance. Stage and backline setup must be completed 60 minutes prior to the scheduled sound check.

***Please setup Keyboard 1 & 2 first so that the keyboard players can arrive early to program, followed by the drum kit.**
