ASIA FEATURING JOHN PAYNE BIO

John Payne became the frontman and lead vocalist/bassist of the supergroup ASIA in 1992, replacing vocalist/bassist John Wetton. ASIA extensively toured the world for the next 15 years performing old favorites and new classics.

During his tenure with the band ASIA released 7 stunning studio albums plus several live albums.

In 2007, Payne, Downes, Wetton, Palmer and Howe contractually agreed that John Payne would continue his 15 year legacy with ASIA as Asia Featuring John Payne. Asia Featuring John Payne has been touring since 2008.
