

GILBERT O SULLIVAN TECH RIDER

TECHNICAL DRESSING ROOM RIDER

2021 Tech Rider Gilbert O Sullivan

Gilbert O'Sullivan - Tech Rider + Backline Requirement " Just Gilbert"

OVERVIEW

This rider is for the Gilbert O'Sullivan Duo show with guitar. Gilbert will be seated centrally on the stage at an RD1000 Piano where he will sing from. He will be accompanied by one other musician (on stage left) who will play 3 different guitars and backing vocals. If you are supplying the RD 1000 keyboard please note Gilbert requests to see pictures of the vintage RD1000 keyboard + original stand, + bench /stool in advance .

Any issues please email Gilbert's Agent Mark Downing Immediately at ;
Mark@amamusicagency.ie

BACKLINE REQUIREMENTS

Given the vintage nature of Gilberts Keyboard requirement and difficulties sourcing a well maintained properly working RD1000's Keyboard , Gilbert prefers to Transport it over with the Correct Monitors and Piano Seat & Sustain Pedals. This is the right correct backline which is very specific to his show and performance. Without this exact + correct keyboard and D & B's Monitors there is no show. We shall book the equipment & transport from the UK over and email you all of the costs in advance so every cost is fully transparent.

EQUIPMENT - DELIVERY - EXPENSES

AMA must receive the promoters confirmation within 24 hours in which the promoter agrees and pay these costs, as presented, Promoter agrees that full payment of these costs will be made by the end of the next working day .

See below Backline listing

2 x tall boom stands

1 x short boom stand

2 x Shure beta 58 microphones (vocals)

1 x Sennheiser e609 mic (for electric guitar amp)

(**happy to use an analog multicore/snake instead of the digital/ Rio if preferred or already in place.

Gilbert will need a minimum of 12 input lines to mix position from the stage and 8 returns)

POWER REQUIREMENTS

We will need Power drops at the following positions:-

- 1) To the stage left side of the keyboard
- 2) Behind the guitar amp on stage left
- 3) In front of the guitarist chair on stage left.
- 4) FOH mix position (same phase as stage and PA please)

OTHER

Please provide a music stand and light for the guitarist on stage left.
Please provide a chair with no armrests for the guitarist on stage left.
Bottled water on stage for the two musicians and also at FOH mix position for the engineer.

MIX POSITION

Please provide a 2 metre table for mixer and laptop at a centrally located position in the auditorium where stereo field can be heard and at the same level as the majority of the audience. This area is to be sectioned off from the public.

VERY IMPORTANT

Absolutely no substitutions of any of the above equipment please.
It is essential that this rider is fulfilled exactly as stated. Thanks.

Stage plan is simple ;

Gilbert Centre Stage: on his RD1000 Keyboard with 1 x M4 either side of his piano stool + Vocals

Guitarist Stage Left : (who plays Electric, Steel and Nylon Acoustics) + Backing Vocals with 1 x M4

Power required for Keyboard, Amp and Pedals in front of guitarist.
