

Show Format and Operations

This production is specifically designed for efficient setup, streamlined performances, and a memorable experience for both the audience and contestants.

Production

Hollywood's Greatest Game Shows (HGGS) includes 9 different iconic games all played in a 90-minute performance. Key production elements include:

- **Visuals:** All game show content is projected in high def on a large 21 foot rear projection screen or LED Wall, allowing contestants to stand directly in front of our interactive game board.
- **Set Design:** The screen is framed with large side-panel trusses dressed using scrim materials, back-lit with RGB LED lighting effects for added visual appeal.
- **Game Transitions:** Hilarious TV game show out-takes are played at the conclusion of each game while our computer system prepares for the next game in our line-up. This ensures a seamless flow between all 9 games.
- **Audience Engagement:** Each game is designed for audience entertainment and participation making their experience interactive and engaging.

Stage Set

Ticket Distribution

Before the doors, an HGS representative will provide each venue with a ticket drum, plus a roll of two-part tickets. For multiple shows, tickets will be color-coded to differentiate between each performance. A representative from the venue will distribute one half of the ticket to each attendee as they enter while placing the other half in the ticket drum.

Meet and Greet

Meet and Greet sessions for VIPs with our show host and cast are an option.

- All Meet and Greet sessions shall be scheduled at least 45 minutes before showtime, allowing the cast 15 minutes afterward to prepare for the performance.
- A step-and-repeat backdrop with a photographer is recommended.

Audience Warm-Up

To replicate the excitement of a live TV game show, we incorporate a 15 min audience warm-up.

- **Interaction:** Before showtime, our Co-Host engages the audience with trivia games and distributes small prizes to participants.
- **Atmosphere:** This pre-show activity energizes the crowd and sets the tone for the performance.

Contestant Selection

Contestants are uniquely chosen for each game based on the game's requirements:

1. **On-Stage Games:** Contestants required to physically participate on stage are hand-selected by our beautiful hostesses.
2. **Other Games:** Contestants not required to participate on stage are selected by random drawings from our ticket drum.

Note: It is possible for a previously hand-selected contestant to be chosen again if their ticket is later drawn from our ticket drum.

Prizing

Each venue is requested to determine a total prize purse in advance. We prefer a prize purse of \$5,000 - (\$2,000 Min) Once the purse is established, HGGS will:

- Develop a Prize Matrix detailing winnings for each game, including grand prizes for winners. (Consolation prizes for all runners-up if applicable).
- Increase the prize values as games become more challenging as the show progresses.
- Submit the Prize Matrix to the venue for approval by the regional Gaming Commission.

Sample Prize Matrix

Prize Distribution:

- Prize winners are announced on stage. All prizes are distributed at a designated prizing table; typically located backstage or behind a pipe-and-drape.

Grand Prize Ticket Confirmation

Our game show finale features our \$100,000.00 or \$1,000,000.00 *Cash Pyramid Game*.

- All previously drawn tickets are returned to the drum.
- 10 tickets are drawn for participants.
- Each contestant's ticket number is confirmed before entering stage.

Everyone Wins Element

We also offer our very popular, *Everyone Wins Element option*. Here's how it works: During our Cash Pyramid Game, the host will inform the audience that they all have a chance to win a prize. What they don't know is the Cash Pyramid game is programmed to ensure that everyone in attendance will win a free prize, guaranteed! Casinos normally offer Free Slot play. This creates an unforgettable experience, leaving the audience feeling like winners as they return to the casino floor.

Post-Show Interaction

After the performance, the entire HGGS cast will be available in the lobby for a meet and greet photo opportunity and sign autographs for the audience members.
